Additional Child Policy

Children under 18 months of age only attend free of charge if they have an older sibling(s) who are already participants.

If during the term at Bush Play your second (or third!) child “younger than 18months” turns 18 months, they will formally become a participant of the Bush Play program. This means there is a charge for their attendance. Rates are those previously mentioned in Bush Play for Families. Please refer to [Bush Play for Families](#) for costing.

Please contact me if you'd like further clarification.
