CAR PARK AND ROAD USE POLICY

Under my “Conditions of Approval as a Recreation Facility” with Adelaide Hills Council, our on-site car and bus parking and movement of vehicles in and out of Bush Play is very strict. We must only use our designated carpark for parking.

At no time may we park along “the road to the carpark”, for this is to be kept clear at all times for Emergency Services and neighbouring vehicles to pass without hindrance.

The maximum capacity for buses travelling over the bridge to our carpark is a 24-seater mini-bus. At no time is a larger bus able to use this road.

The details of movement of vehicles is within the “Participants Agreement Letter Relating to Conditions of Use” Form which you signed prior to entry to the Bush Play and can find in the members area of the website.
