## DUTY OF CARE POLICY

### **Parent/Caregiver's Duty of Care/Supervision of their own child/ren whilst at Bush Play.**

You are completely responsible for the safety of your own child/ren whilst at Bush Play. I am here as your Facilitator, for all people in the group, not to supervise your child/children. Your child/ren are UNDER YOUR DUTY OF CARE and you are their supervisor.

**Please Note:** It is a condition of entry you read and sign a Form, namely, "Participants Agreement Letter Relating to Conditions of Use". This document confirms your understanding of the conditions under which you allow your child/ren to participate in the Bush Play Program and of my Policies and Procedures.

## ENROLMENT AND ATTENDANCE POLICY

Bush Play is purposely a full-term program. There are no casual bookings. The intention is to develop a sense of place and a connection to nature, whilst allowing the opportunity to develop relationships through regular contact.

If you are unable to attend one of the sessions, let me know as soon as you're able and I'll schedule your make-up session. There will be two make-up sessions offered throughout each school holidays to ensure participants are not disadvantaged due to non-attendance.
